8. Lamp and
9. Oil

To Alabama Mountain Field party beginning on Saturday Oct 18th 1908

On March 11th of 1900
looking out over the
valley side to the foreground

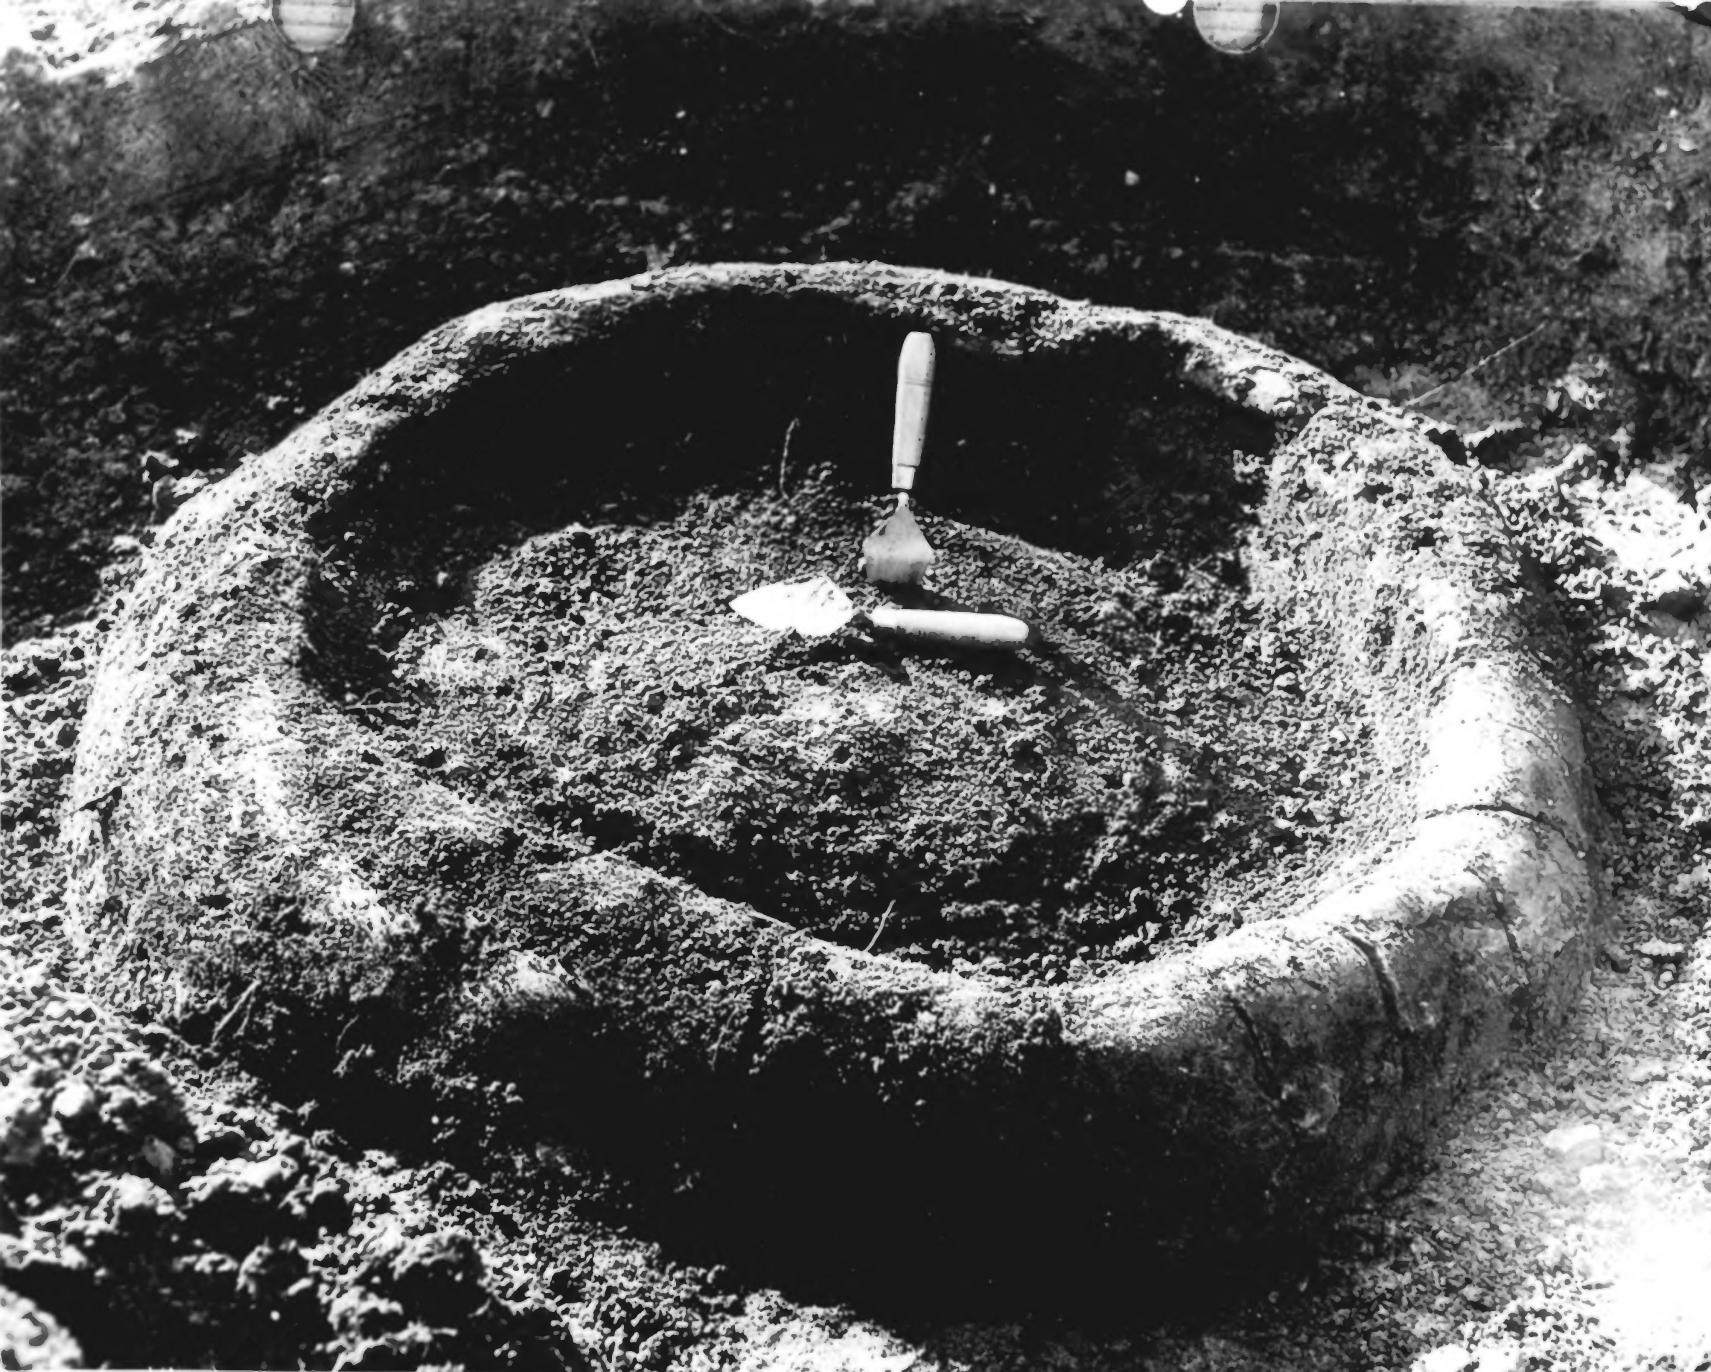

had been built up and covered over all
these houses and buildings had
been taken down.

The building is in the basement of the corner of 4th Street and
South Park. It is about four stories high and contains
about fifteen rooms.

23. *Thymelaea* of the *Scrophulariaceae*. A few new species
and notes on the genus.
